Best of **KENT** CHARITY AUCTION

Kent based children's charity Dandelion Time, is launching a magnificent Online Auction. This carefully curated auction features the 'Best of Kent' and already some wonderful prizes have been donated.

We will be promoting this online auction to thousands of supporters across Kent and have secured coverage in several Kent wide publications including Kent Life, insideKent and the Kent Messenger.

It would be fantastic if you could support this event and join forces with other celebrated Kent brands.

The auction will raise much needed funds for our therapeutic work with vulnerable children in within our community, whose needs right now are greater than ever.

If you would like to get involved we would love to hear from you!
